## DEED OF SURETYSHIP

For the Payment of College Fees for .....  
(Applicant's Full Name)

### WHEREAS:

1. **Blackfordby College of Agriculture** (hereinafter referred to as "the College"), a duly registered institution, has agreed to admit .....  
(hereinafter referred to as "the Student") to the Diploma in General Agriculture (GAD30 May 2027 Intake) programme, subject to the terms and conditions of the College, including the payment of tuition and other fees.

2. **The Surety**, .....,  
(Name & I.D. Number)

of .....  
(Address)

has agreed to stand surety for the due and punctual payment of all fees and charges that may become payable by the Student to the College in respect of the said programme.

### NOW THEREFORE, THIS DEED OF SURETYSHIP WITNESSETH AND IT IS HEREBY AGREED AS FOLLOWS:

#### 1. Liability of Surety

The Surety hereby binds himself/herself/themselves jointly and severally with the Student as surety and co-principal debtor for the payment of the aggregate amount of all fees, levies, charges, and any other amounts (including interest and legal costs) that may at any time be due and payable by the Student to the College in respect of the Student's enrolment and attendance at the College for the duration of the Programme.

## **2. Extent of Liability**

The liability of the Surety under this Deed shall be limited to an amount not exceeding the total fees and levies for the full duration of the programme, which is currently estimated at **USD9,600.00**. Should the College adjust its fee structure, the Surety shall be liable for the adjusted amounts provided that the College has given reasonable notice of such adjustment.

## **3. Duration of Liability**

This suretyship shall remain in full force and effect from the date hereof until the Student has completed the Programme, or is expelled, or withdraws from the Programme, and all sums due to the College have been paid in full and the Student has no further financial obligation to the College. The Surety shall not be released from liability merely because the Student ceases to be enrolled, unless all outstanding fees have been settled.

## **4. Demand and Default**

The Surety acknowledges and agrees that:

4.1 The College shall be entitled to demand payment from the Surety without first demanding payment from the Student or taking any legal proceedings against the Student.

4.2 The surety's liability shall be that of a principal debtor and not merely that of a surety, and the Surety waives the benefits of excussion and division.

## **5. Independent Obligation**

This Deed constitutes an independent and separate obligation from the Student's primary obligation. The Surety's obligations under this Deed shall not be affected by any act, omission, or forbearance of the College, including any extension of time, waiver, or variation of the terms of the Student's enrolment.

## **6. Acknowledgement of Risk**

The Surety acknowledges that:

6.1 He/she has fully understood the nature and consequences of this Deed of Suretyship, including the risk of financial loss.

6.2 He/she has read the terms of the Student's application and the College's fee policy.

6.3 It is advisable to seek independent legal advice before signing this Deed. The *caveat subscriptor* rule applies: signing this document binds the Surety to its terms regardless of whether it was read or understood.

**7. Covenant to Pay Costs**

The Surety covenants to pay to the College, on demand, all legal costs and expenses (on an attorney and own client scale) incurred by the College in enforcing its rights under this Deed, including the recovery of any outstanding debt.

**8. Governing Law**

This Deed of Suretyship shall be governed by and construed in accordance with the laws of Zimbabwe.

**9. Entire Agreement**

This Deed constitutes the entire agreement between the College and the Surety regarding the subject matter hereof and supersedes all prior agreements, representations, or understandings.
